~~~~~  
**Notes:**

- 1. Only new residential customers connected to both Slinger Water and Sewer Utilities and establishing a new lawn are eligible for this permit.**
  - 2. This permit is valid for one year only and only for three consecutive months.**
  - 3. Approved permit holders will be charged a fixed amount for sewer use during the permit period based on an amount equal to 120% of the average volume of water used by residential customers within the Village of Slinger (currently this is 600 ft<sup>3</sup> per month). Water use will be billed at the normal rate during the permit period.**
  - 4. The credit will show up on the month following the approved permit application. No reimbursements will be made for lawns established in previous years without authorization of the Village Board.**
  - 5. Paid receipts shall consist of paid bills from landscape contractors or home builders if the work has been performed by others or paid receipts for topsoil (if applicable), seed and fertilizer if performed by the owner of the property.**
