## ACH AUTOMATIC PAYMENT PLAN – AUTHORIZATION FORM

To enroll in the Slinger Utilities ACH Automatic Payment Plan, complete the authorization form below and return it to the Village of Slinger with a voided check. Once enrolled, your utilities payment will be automatically deducted from the checking or savings account indicated below.

Utility bills are generated monthly and ACH withdrawals will occur on or around the 28<sup>th</sup> of each month. Please ensure funds are available to cover the entire balance of your statement to avoid additional fees and possible removal from the ACH automatic payment plan.

\*\*\*\*\*

I authorize the Village of Slinger and Slinger Utilities to automatically withdraw through my designated bank, and transfer to the Village of Slinger's bank account, the monthly amount due on my Slinger Utilities account(s) listed below. I understand that I will receive notification of the amount to be withdrawn on a monthly statement. I also understand that funds will be withdrawn from my designated bank on or near the 28<sup>th</sup> of each month and that if there are insufficient funds in my account at the time the automatic deduction is to be transacted, an additional non-sufficient funds fee will be assessed to my utilities account and I may be removed from the ACH Automatic Payment Plan. I understand that this authorization remains in effect until such time that I notify the Village of Slinger in writing that I wish to terminate the automatic payment.
