Applications for a permit shall be accompanied by a current valid vehicle registration and the permit holder must show and maintain residence on the street they are obtaining the permit for. A permit shall be valid for parking on the street upon which the permittee's principal residence abuts, except if the residence abuts on two or more streets, it shall be valid only on the street shown as the permittee's address on both the application and the vehicle registration certificate. It ceases to be valid if the ownership or leasehold of the vehicle is transferred or if the owner or leasee changes his or her principal residence. There will be a maximum of three permits, for three separate vehicles, issued per residence.

The permits must be obtained at the police department during normal business hours. There shall be no charge to obtain a permit. The permit shall be valid for only one vehicle

and attached to and displayed on the vehicle in the rear window. If the permittee fails to display the permit in the back window they are subject to receiving a parking ticket.

Permits are non-expiring, however if they are damaged, lost or become non-legible it will be the permit holder's responsibility to obtain a new permit from the police department.

E. Blocking Mail Delivery (Added July 2019)

(a) No vehicles shall be parked so as to prevent the delivery of mail to postal boxes.

(b) Upon receiving a complaint from a resident or postal carrier that mail could not be delivered because a parked motor vehicle blocked the carriers access to the box, a police officer shall investigate, and if the vehicle is so parked as to prevent mail delivery, may issue a parking citation.

F. VILLAGE HALL AND LIBRARY PARKING LOT RESTRICTIONS

Parking in the Village Hall and Library parking lots shall be restricted to those persons engaging in business with Village Hall Departments or the Library. All other parking in these lots shall be subject to Village permission.
