Any questions concerning the levy amounts and tax rates for other taxing authorities should be directed to the appropriate agency and contact numbers have been provided for your convenience.

The Village's levy amount and tax rate are set after a public hearing has been held on the annual budget. State law requires that this is done before December 15<sup>th</sup> each year, and the Village typically schedules this for one of the Village Board meetings during the month of November. This will normally be either the 1<sup>st</sup> or 3<sup>rd</sup> Monday of the month, and the notice announcing the public hearing is published and posted in public locations at least 15 days before the meeting.

Once all the different levy amounts are gathered, the Village Treasurer forwards the numbers to the Washington County Treasurer. The County Treasurer's office administers the Lottery and Gaming Credit Claim Programs and prints the tax bills for each of the county's cities, villages and towns. The bills are returned to the Village and mailed to our taxpayers, usually some time during the 2<sup>nd</sup> week of December. If you do not receive your tax bill by December 21<sup>st</sup>, contact the Village at 262-644-5265 to confirm that we have the correct mailing address. A copy of your tax bill can also be printed from the Washington County website: [www.co.washington.wi.us](http://www.co.washington.wi.us). Once you've accessed the website, click on "County Treasurer" and "Tax Information". You can locate your property through the tax key number or address and view and print a copy of your tax bill.
