8 in. meter	\$ 125.00
10 in. meter	\$ 180.00
12 in. meter	\$ 235.00

Bills for service are rendered monthly and become due and payable on the 10th of the month following the period for which service is rendered. A late payment charge of 1 percent per month will be added to bills not paid within 20 days of issuance. This late payment charge will be applied to the total unpaid balance for utility service, including unpaid late payment charges. The late payment charge is applied to all customers. Utility customers may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued. Unless payment or satisfactory arrangements for payment are made within the next ten days, service may be disconnected.

POWER COST ADJUSTMENT CLAUSE (PCAC)

All energy sales are subject to a positive or negative power cost adjustment charge equivalent to the amount of which the current cost of power (per kWh of sales) is greater or lesser than the base cost of power purchased and produced (per kWh). The base cost of power is currently \$0.0964 per kWh.

COMMITMENT TO COMMUNITY

As required by state law, the Commitment to Community fee is collected to fund low-income programs and energy conservation programs.

To find out more about these programs contact Slinger Utilities or visit our website at www.vi.slinger.wi.gov.

CE CHARGE

If the abbreviation "CE" appears on your statement, this refers to "Computer Estimate" and means that an actual reading was not available at the time of billing.

Rate Summary

We're proud to be your locally owned and operated utility. Slinger Utilities has quick on-site response, efficient operations, helps keep energy dollars in the community, and values the community.

At Slinger Utilities our mission is simple and straight forward: We are here to provide low-cost, reliable electric, water and sewer service with a hometown, personal touch.
