Dear Business Owner:

The Village of Slinger Police Department is asking all businesses to update their contact information, and if appropriate, their alarm company information. We use this information to contact you or another keyholder in the event an incident occurs at your business during non-business hours. We request that keyholders residing in the Village of Slinger be listed first as they will be contacted in the order listed. Please complete the form in its entirety as soon as possible and return it in the envelope provided.

I also want to remind you of the Village of Slinger ordinance relating to alarms. Below are the requirements of the ordinance:

1. Property owners of buildings with alarms are required to maintain the alarm and ensure the alarm is in good working order.
2. The Village of Slinger Police Department will bill property owners annually for false/malfunction alarm responses within the Village limits at a rate of:

1.) First 2 False/Malfunction of Alarms	No Charge
2.) Third False/Malfunction of Alarm	\$25.00
3.) Fourth False/Malfunction of Alarm	40.00
4.) Fifth and additional successive Alarms	50.00

If you have any changes with or updated information regarding your alarm company or other contact information, we ask that you contact our department.

Please contact our department at 262-644-6441 if you have any questions regarding this request. We thank you in advance for your assistance in getting our Slinger Business Directory as updated and as accurate as possible!

Sincerely,
